

STRATUS™ PROOF INKJET MEDIA

Stratus™ Proof ink jet media is ICC color profiled producing proofs that are virtually color matched to printed press output. These competitively priced products are part of the Stratus' Proof solution, the *new* standard in quality color proofs.

Stratus™ Crescent

Stratus Proof Crescent is a specially coated paper with a uniquely formulated ink jet layer on a premium-coated paper stock. It dries spontaneously and is water resistant and light fast for easy handling. Stratus Proof Crescent is well suited for multiple color printing, delivering sharp images and vivid colors; an ideal paper for color proofs.

Available in:

- Semi-Matte 6.9mil & 9mil
- Mirror gloss 6.9 & 9.0mil
- Up to 60" widerolls
- Cut sheets

Stratus™ Photo Gloss

Stratus Photo Gloss is a premium micro porous, high-resolution resin coated photograde paper designed for the highest quality color images. This bright white paper is ideal for heavy ink laydowns and features excellent tonal range and bleed control to prevent banding. It dries spontaneously and is water resistant and light fast for easy handling.

Available in:

- Gloss 9 mil
- Up to 60"wide rolls
- Cut sheets

Stratus™ Photo Satin

Stratus Photo Satin is a premium micro porous, high-resolution resin coated photograde paper designed for the highest quality color images. This bright white paper is ideal for heavy ink laydowns and features excellent tonal range and bleed control to prevent banding. It dries spontaneously and is water resistant and light fast for easy handling.

Available in:

- 7 mil and 9 mil
- Up to 60"wide rolls
- Cut sheets

Stratus™ Proofing Jet

Stratus Proofing Jet is a "shaded" commercial paper that emulates the characteristics of press paper. It is specially coated with a unique ink jet layer on a premium-coated paper stock. The paper dries spontaneously and is water resistant and light fast for easy handling. Stratus Proofing Jet is well suited for multiple color printing, delivering sharp images and vivid colors; an ideal paper for color proofs.

Available in:

- Semi-matte 6.9 mil
- 36" and 44" rolls
- Cut sheets
